Rejected Claim Appeal Templates

Three ready-to-edit letters: insurer grievance, IRDAI Bima Bharosa, Insurance Ombudsman

Three short letters cover almost every rejected or delayed claim: the insurer's own grievance cell, IRDAI's Bima Bharosa portal, and the Insurance Ombudsman. Fill the square brackets, keep a copy, and send by email plus registered post so you can prove the date.

1. Grievance letter to the insurer

```
To: The Grievance Redressal Officer
[Insurer name], [Branch / address]
Subject: Grievance against repudiation of claim no. [claim no.] under policy no. [policy no.]
Dear Sir/Madam,
1. I hold policy no. [policy no.], issued on [date], covering [insured / vehicle / property].
2. I submitted claim no. [claim no.] on [date] with all documents listed in the annexure.
3. By letter dated [date] the claim was [repudiated / partly repudiated / pending] on the ground that [quote the exact reason given by the insurer].
4. That ground is not supported by the policy terms or by the documents on record, because [your reason: e.g. the waiting period for this condition had already expired on [date], the exclusion cited does not appear in the policy schedule, the surveyor's report itself records that the damage was accidental].
5. Under Regulation 8 of the IRDAI (Protection of Policyholders' Interests) Regulations, 2017,
the insurer must furnish the reasons for repudiation in writing and the policyholder must be given an opportunity to be heard. I therefore request:
(a) a copy of the complete claim file, including the surveyor's and TPA's reports;
(b) reconsideration of the decision on the basis of the enclosed documents;
(c) a written reasoned decision within 14 days of receipt of this letter.
